At the beginning, Jesus is deemed worthy to open God's sealed book. The seal events are now released. Martyrs are told to rest a while longer.	The trumpet judgment events are released on earth's rebellious. Prayers are released. The bowl judgments are prepared. The 7th trumpet is readied.	The 7th trumpet sounds & the 24 heavenly elders announce the beginning of Christ's reign on earth. He will receive His 144K elect.	The bowl judgments of God's wrath are poured out, but He still desires that the hearts of blasphemers would turn from evil.	The Bema Judgment Seat of Christ is at the beginning. At the end of the Millennium, God holds court at the Great White Throne Judgment.	The throne of God is seen in the Holy City. God is united with His people forever.
<p style="text-align: center;">The Heavens</p> <p>Seen in great symbolism, much activity takes place in spiritual arenas between heaven and earth.</p>		While in the Spirit, John has symbolic visions depicting Jesus, Israel, and the Church engaging the kingdom of darkness.	Visions of the end are seen. The remnant is seen sealed. As a result of an angelic war in the heavens, Satan and his angels are expelled from heaven.	Four angels, with an angel-army of 200 million, are released upon the earth's rebellious. 7 thunders sound. The sun and moon become darkened.	The process of the 2nd coming begins. Angelic armies and the spirits of all deceased saints make their way to the earth, led by Jesus.	God's wrath begins. The fall of Mystery Babylon is announced. The cause for wrath upon the kingdom of Babylon is depicted in expansive visions.	The greatest wedding of all time. During the Millennium, the New Jerusalem is accessible to regenerated believers, yet is in heavenly realms.	The New Jerusalem, portrayed as a heavenly city in the shape of a 1,380 mile high spiritual cube, comes out of the heavens to join the new earth.
<p style="text-align: center;">The Earth</p> <p>Events affecting the entire planet, but Israel, Jerusalem and the temple are at the epicenter.</p>		John receives prophetic messages to equip the Church and prepare hearts for what lies ahead. He is commissioned to reveal the majesty of Jesus Christ.	Failing economies, famine, genocide, wars and pestilence on 1/4 of the earth. The antichrist rises to power, achieves peace in the Middle East.	Escalating and intensifying tribulations. 1/3 of nature ruined, the rebellious 1/3 killed, and others tormented; witnesses martyred. Temple is occupied.	Jesus comes back with His armies, all riding white horses. He is depicted as a warrior King preparing to engage His enemies. All saints get glorified bodies.	Plagues manifest as Jesus administers a 75-day process of rescuing His bride, releasing His anger, defeating His enemies, and establishing His kingdom.	1,000 years of Jesus' reign on the earth. At the end, Gog & Magog (Satan, in all his lands) are defeated. The second resurrection follows.	The earth has become new, and is now part of the eternal, heavenly experience.
<p style="text-align: center;">The Netherworld</p> <p>Anguish and torment in spiritual dimensions beneath the earth; it includes the Lake of Fire and the Abyss.</p>			Death and the angels that govern hell are released from the Netherworld to administer the effects of the fourth seal.	Locust-spirits are released from the Abyss, sent up to torment the rebellious for 5 months.		The antichrist and the false prophet are thrown into the Lake of Fire, where they spend the rest of eternity. Satan is sent to the Abyss for 1,000 years.	After the thousand years are completed Satan is released for a brief time. After his final defeat he is also banished to the Lake of Fire forever.	Eternal separation from God for all those whose name is not found in the Lamb's Book of Life.
