

## Cult monarchies of Mystery Babylon as seen throughout history

### **Nebuchadnezzar of Babylon: Imperial cult worship**

Head of gold (Dan 2:32a) from 609-539 BC

Nebuchadnezzar was granted authority over the known earth

He took captives from Judah and destroyed the temple

He forced his cult worship but God delivered the 3 boys from the fire

### **Darius of Medo-Persia: Imperial cult worship**

Breast & arms of silver (Dan 2:32b) from 539-331 BCE

Darius personified an antichrist spirit in cult worship

He outlawed prayer but God saved Daniel from the lions

### **Alexander the Great of Greece: Imperial cult worship**

Belly & thighs of bronze (Dan 2:32c) from 331-146 BC

Alexander claimed divinity and his statues were worshipped

A type of antichrist comes forth: Antiochus IV (Dan Ch 11)

Paul saw this idolatry (Acts 19); Great is Diana of the Ephesians!

### **The Imperial Kingdom of Islam: the cult worship of Allah**

(This is not Rome: Dan Ch 11-12 skips the Roman empire)

A very different, more terrifying, divided kingdom: Shia and Sunni  
Islam brutally crushes all the above realms, beginning in 630 AD

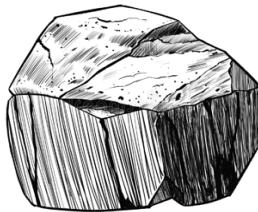

Feet of demonized iron and humanistic clay (Dan 2:33b)

Future antichrist cult and his 10 caliphate "kings" (ten toes)

Radical Islam and a reformed Islam that won't mix

The antichrist will demand worship in the temple as God

The timing of this cult is seen in Dan Ch 11-12

### **Eternal Kingdom - God's Kingdom, Jesus is King**

A cut stone crushes the feet... (Dan 2:34)

...and becomes a mountain, filling the earth (Dan 2:35)

Jesus is the Stone (Psalm 118:22, Matt 21:24)

His Kingdom endures forever (Dan 2:44-45)
